# Model Plaingard G (closed), gold aluminium

**Suitable for outdoor areas**

**Closed construction mat**

**Low moisture absorption**

**For high foot traffic**

**Moderate dirt uptake**

**Production time within three working days after technically clarified order. Subject to change without notice.**

**Load carrying capacity up to 30kN**
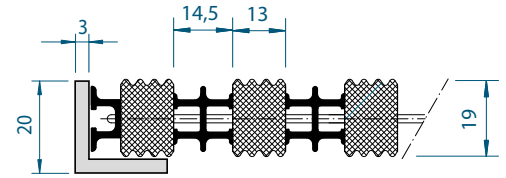

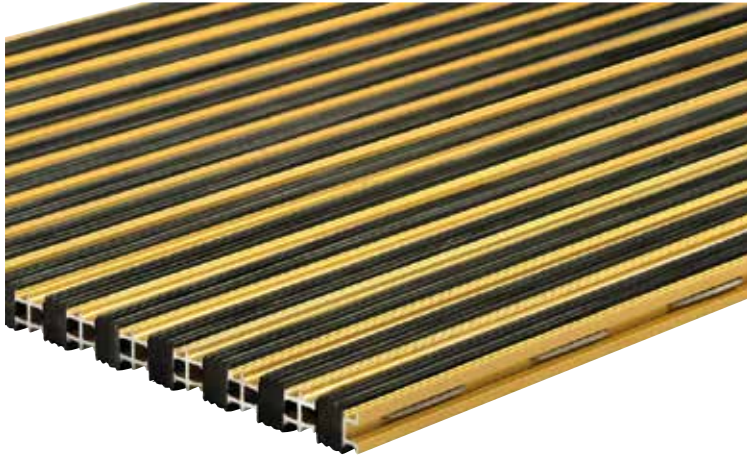

### Description

Plaingard is a weatherproof mat which is used where there are high levels of dirt, mud or snow. It is an extremely robust entrance mat due to its solid rubber wiper strips and aluminium scraper profiles.
