## CHARACTERISTICS

# MODUSBRUSH

UV-resistant

clean with pressure washer

durable

damp-proof

flexible

resistant to cold

for private, residential buildings

High-quality PVC profiles combined with an aluminium ramp edge reflect the high quality of this non-slip dirt collection mat. The dense brush bundles effectively remove dirt from shoes and produces a high level of cleaning, protecting your property from dirt and keeping it clean. This dirt collection mat is suitable for laying on top of flooring.
